

Firmadoor®

ROLLING GARAGE DOOR

When you buy a Firmadoor® Roll-Up door, you're buying the best in value at an affordable price. A Firmadoor garage door will enhance your home without breaking the budget.

AESTHETICS

- Wide range of colours
- Stylish centre lift lock
- Pressed square-line panels reduce deflection and the visible effect of seaming joints

SAFETY

- Waist height, pick resistant lock with double bar locking action
- Steel door stops

EASE OF OPERATION

- Nylofelt® running strips ensure that your door rolls up and down effortlessly
- Lifting handle, available as optional extra, provides convenient operation and easy lifting of door
- Internal lock snib provides easier internal lock use
- Precision springing and pressed steel drum combination ensures consistent balance

WEATHER PROTECTION

- Colorbond steel, our preferred supplier, to stand up to the harsh Australian climate*
- Weatherseal provides an efficient seal for protection from the elements

SMOOTH, QUIET OPERATION

- Nylofelt running strips
- Rubber coated guide stops

STRENGTH AND DURABILITY

- Springs designed for 15,000 cycles
- Aluminium bottom rail, designed to provide a rigid stiffening rail to the bottom of the door curtain

SIZE TO SUIT EVERY HOME

- The Firmadoor Roll-Up door is available in sizes up to 3000mm high and up to 5100mm wide

Visit www.bnd.com.au for more information.

FIRMADOOR ROLL-UP

The Firmadoor Roll-Up door, in single width, will perform reliably over many years. The roll-up door is available in sizes up to 3140mm wide and to suit openings up to 3000mm high.

FIRMADOOR MAXI

The Firmadoor Maxi double width rolling garage door has a curtain shape the same as the Firmadoor Roll-Up single width door. Although Firmadoor Maxi doors can be operated manually, they are ideal when teamed with a Firmamatic automatic garage door opener, making opening and closing as easy as pushing a button. The Firmadoor Maxi is available in sizes up to 5100mm wide and to suit openings up to 3000mm high.

WARRANTY

3 year (pro rata) warranty on door curtain, covering steel cracking and lock seam failure, for domestic applications, 12 month warranty on surface (excludes salt corrosion) and all other parts in domestic applications.

As with all types of garage doors, for optimal trouble free performance and safety, we recommend you have your door serviced annually.

ENJOY THE CONVENIENCE

You will really appreciate an automatic garage door opener on those cold, dark or rainy days. B&D have a range of garage door openers to suit every door style, and with just the push of a button on your remote control, you will be able to drive straight into your garage or carport. Ask your B&D dealer about automating your door today.

Notes / Information

- Firmadoor doors, in domestic applications, are covered by a 3 year pro rata warranty on door curtain (surface coating and all other parts including lock limited to 12 months), conditional on proper care, as recommended in the door's handbook. Full details of the warranty are available from www.bnd.com.au. Warranty only applies to doors purchased and installed in Australia or New Zealand. Warranty only valid if warranty conditions are met.
- For areas within one kilometre of a corrosive environment eg. salt air or industrial fallout, special care and maintenance are generally required for metal products. Consult B&D or your B&D Accredited Dealer for advice.
- The company reserves the right to make changes or improvements to the products or accessories without notice and without incurring any obligation to make similar changes or improvements to goods previously ordered. Specifications subject to change without notice.
- Prefixed Trademarks are trademarks of B&D Australia Pty Ltd.
- B&D products have many patents and registered designs applicable.
- * While BlueScope Steel Limited is our preferred supplier, steel products from other sources may also be used.
- g) Details correct at date of publication.
