

PREMIUM GARAGE DOOR
AUTOMATION

Accessories

Designed to enhance the convenience,
safety and reliability of your
automated garage door.

Garage door automation to suit your lifestyle

Call us on **13 62 63** or visit **www.bnd.com.au** for the complete range of B&D products & accessories.

Accessories

Safety Beams

If you have young children or pets, safety infra-red beams provide added safety and security. If the beam is broken while the door is closing, it will automatically stop and reverse. B&D always recommend the use of safety infra-red beams on all automatic garage doors.

Entry Keypad

Allows entry to the garage without a remote transmitter. Great for children. No need to give them a key or transmitter as they can enter the house with their PIN.

Rechargeable Battery Backup

In the event of a blackout or other break to the power supply, the opener will still be operational with a rechargeable battery back up.

Combo Access Device

Recommended where the garage door is the only entry point. Allows you to open the door manually during a power failure, using a key to remove the barrel with a cord attached to the disengagement handle. Also allows for key electrical operation.

Emergency Key Release

Allows your garage door to be disengaged and operated manually from outside.

Tri-Tran+™ Premium Remote Control

Combines stylish and robust design with advanced encryption technology to protect against code grabbing devices. Available in black and red colours.

Tri-Tran+™ Remote Control

Convenient garage door control featuring advanced encryption technology to protect against code grabbing devices.

Smart Phone Control Kit

Turns your smart phone into an additional remote control with the added benefit of allowing you to monitor and control your garage door from home, at work, or anywhere in the world!* (Not compatible with all automatic opener models).

Wall Mount Remote Control

Mounts inside the garage allowing remote door operation. Features Tri-Tran+™ Technology.

Wall / Visor Remote Control Clips

Allows you to mount your remote control to the wall or place on car sun visor for added convenience. (Clip for premium remote pictured).

B&D Doors has offices servicing all states. For more details on this product or our other ranges, call **13 62 63** or visit **www.bnd.com.au**
