

Roll-A-Shutter®

12/100 – INDUSTRIAL SLAT TYPE SHUTTER (RAS)

SLATS

1.2mm, continuous roll formed, interlocking, coated Galvabond® steel slats. Nominal effective pitch of 100mm. Zinc coating of not less than 275g/m².

Information relating to product measurements, colours and specifications is accurate at the time of print and is subject to slight variations resulting from the manufacturing process. B&D reserves the right to change product specifications at any time. Take care when handling and storing slats. Damage to the slats can affect door performance.
